No. 31/8/2020-M
GOVERNMENT OF MANIPUR
SECRETARIAT: HEALTH DEPARTMENT

NOTIFICATION

Imphal, the 13th March, 2020

Whereas the Government of Manipur is satisfied that the State is threatened with an outbreak of COVID-19, which is a dangerous epidemic disease and the State Government is of the opinion that ordinary provisions of law for the time being in force are insufficient for the purpose.

Now, therefore, in exercise of the powers conferred under section 2, 3 and 4 of the Epidemic Diseases Act, 1897 (Central Act 3 of 1897), the Government of Manipur is pleased to issue the following temporary regulations regarding COVID-19 (Corona Virus Disease 2019) and to take special measures to be observed by the public to prevent the outbreak of the said disease or spread thereof:

1. These regulations may be called "The Manipur Epidemic Diseases, COVID-19 Regulations, 2020".
2. "Epidemic Disease' in these regulations includes COVID-19 (Corona Virus Disease 2019).
3. Authorized persons under these regulations are Director of Health Services at State Level and Deputy Commissioner, Chief Medical Officer (CMO) and Medical officer i/c of Community Health Center at Block level and Officers as authorized by the Department of Health from time to time.
4. All Hospitals (Government and Private) should have COVID -19 Screening Corner/ Centre for screening of suspected cases of COVID-19 (Corona Virus Disease 2019).
5. All Hospitals (Government and Private) during screening of such cases shall record the history of travel of the person if he/she has travelled to any country or area where COVID-19 has been reported. In addition, the history of coming in contact with a suspected or confirmed case of COVID-19 shall be recorded -
 - i) In case the person has any such history in the last 14 days and the person is asymptomatic then the person must be kept in Quarantine Centre for 14 days from the day of exposure, and followed by another 14 days of self quarantine at home.
 - ii) In case the person has any such history in the last 14 days and the person is symptomatic as per case definition of COVID-19, the person must be isolated in a hospital as per protocol and will be tested for COVID-19 as per protocol.
 - iii) Information of all such cases should be given to the Office of Chief Medical Officer of the concerned district immediately.
6. No person/institution/organization shall use any print or electronic media for information regarding COVID-19 without prior permission of the Department of Health and Family Welfare. This is to avoid spread of any rumor or unauthenticated information regarding COVID- 19. In case any person/institution/organization is found indulging in such activity, it will be treated as a punishable offence under these regulations.

7. No private laboratory has been authorized to take or test samples for COVID-19 in the State of Manipur. All such samples shall be collected as per guidelines of Government of India and these shall be sent to designated laboratory by the District Nodal Officer of the Department of Health of the concerned district.

8. Any person with a history of travel in the last 14 days to a country or area from where COVID-19 has been reported, must report to the nearest Government Hospital or call at helpline number **0385-2411668** so that necessary measures if required, may be initiated by the Department of Health.

9. All persons with history of travel to a country or area from where COVID-19 has been reported in the last 14 days, but who do not have any symptoms of cough, fever, difficulty in breathing, shall be quarantined for 14 days. Such persons must take precautions to avoid contact with any person including family members for a period of 14 days from the date of arrival from such area.

10. Authorized persons as per regulation 3 of these regulations are authorized under this Act to admit a person and isolate the person if required in case he/she has history of visit to an area where COVID-19 is endemic or has come in contact with a person of that area and the concerned person is symptomatic.

11. If a suspected case of COVID-19 refuses admission or isolation, the officers authorized in section 3 of these regulations shall have powers to forcefully admit and isolate such case for a period of 14 days from the onset of symptoms or till the reports of lab tests are received, or such period as may be necessary.

12. If case of COVID-19 are reported from a defined geographic area such as village, town, city, ward, colony, settlement etc., the District Administration of the concerned district shall have the right to implement the following containment measures, but not limited to these, in order to prevent spread of the disease.
